

To: Honorable Chief Judge
Michael Reagan

May 20 2018

This is a letter in defense of my
Competency and my right as guardian
of my person.

The present report, from the base case
although dismissed is, ~~the~~ proof that
I am competent and ~~no~~ criminal
background.

21-USC-104: Termination of Guardianship of the Person
... Ceases ~~when~~ when the said infant becomes
18 years old or marries.

As of my 18th birthday I alone through
the Grace of God have power over ~~my~~ person
and I do not consent to any form of
medical treatments.

Rule 44.1 ^{Appointment} Assignment of Counsel ... The
Court cannot without my consent appoint
counsel to me ... Subject to Financial
requirements, the defendant must elect
to proceed without counsel and sign and file
with the Court an approved form waiving
counsel.

It's written in 18 USC 3006 refers to Rule 44 Appointment of Counsel and 18 USC 3006A (D) to appoint Counsel Subject to mental Condition hearing - does not give the right to appoint Counsel to the defendant with consent of the defendant.

In a letter to ~~the~~ your Honor on or about April 25, 2018 signed and filed with the Court waiving right to Counsel.

This is Prosecutorial Vindictiveness! (the act of intentionally charging a more serious crime or seeking a more severe penalty than proper for my lawful exercise of a constitutional right. "Federally Protected Activities" under the Civil Right Act? aiding and abetting others to use information furnished...

And Prosecutorial Misconduct (1963) Criminal law. a prosecutors improper or illegal act (or failure to act) in an attempt to avoid required disclosure, or to persuade the jury to wrongfully convict a defendant or assess an unjustified punishment.

This case is void & null or thrown out because it has no standing. The base case is dismissed, and voided, or irregular Judgements.

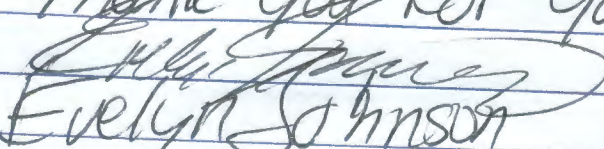

There is no offense to be charged in Post-Sentence that would require a term of imprisonment or a violation of probation.

I am being held against my will at FMC Carswell. I have been unlawfully detained since March 2 2018 when arrested without a warrant.

Had a proper investigation been conducted before hand this all could have very well been avoided. So please release me to the ~~prison~~ place of my arrest on March 2, 2018

Black's Law Meaning of District Court:
A Trial Court having general jurisdiction within its judicial district. A Local Court with jurisdiction ~~only~~ over petty crimes.

This Court lacks jurisdiction over this case, which means the case should be ~~dropped~~ dropped.

Thank you for your time & Patience
